If thunder and lightning continues, the thirty minute period will start again until thunder and lightning has stopped and left the area.

POOL RULES

The following rules and regulations are for the protection and benefit of all persons to ensure safe and sanitary operation of the swimming pool related facilities. The cooperation of the members will afford pleasant relaxation and recreation for everyone concerned. Members are requested to caution their children and their guests to observe the pool rules and regulations and to obey the instructions of the pool attendant and the lifeguards. Any failure to comply with the pool rules and regulations shall be considered sufficient cause for members to be deprived of the use of the swimming pool.

1. Any person using the swimming pool shall dress in appropriate swimwear. No person shall be permitted to wear shorts, “cut-offs”, etc. in the swimming pool. Children who are not toilet trained must wear protective, tight-fitting plastic pants or swim diapers.
2. No person shall use the swimming pool unless the swimming pool is officially opened, and lifeguards are on duty. All persons shall obey the instructions of the lifeguards.
3. Patrons with colds, coughs, inflammation of the eyes, wearing bandages, having an infection or open sore or other unusual physical condition that may affect the health and welfare of other patrons, should refrain from using the pool. The lifeguards have the responsibility and authority to deny use of the pool to any patron affected with any recognizable unhealthy condition which may be transmitted by use of the swimming pool. All persons must take a cleansing shower before entering the swimming pool. Spouting of water from the

mouth and similar unhygienic actions in the swimming pool or the swimming area is not permitted. ALL PATRONS must adhere to current COVID-19 mandates/guidelines.

4. The Association has defined the last 15 minutes as a mandatory cleaning break. The PH level and chemicals will be tested at this time. **The pool will be closed at this time with the exception of swimming laps in designated lap lanes.**

5. **Swim Tests will be given** to all swimmers with a red or green rec. pass that would like to swim in the deep end (where diving board is) or in the lap lanes. All swimmers with a red or green rec. pass wishing to swim in water that is over their head (when feet are touching the bottom of the pool surface) will also be required to take and pass the swim test. The Swim Test consists of the following:

- A. Swim distance equal to the maximum width of the deep-water swimming area section of the facility without using a floatation device or anything else for support, such as touching the bottom, the wall or safety line.
- B. Jump into deep water, level off at the surface; tread water for one minute in a vertical position with the head and mouth above the water line (use of hands is allowed).
- C. Exit from the pool independently.

The lifeguards reserve the right at their discretion to request ANY swimmer (regardless of pass color) who appears to be overly tired or uncomfortable in deep water (even if they have passed the swim test already) to return to or remain in shallow water.

A bracelet will be given to each swimmer who has passed the Swim Test to show the pool staff that they have passed the test. If you wish to swim in any areas where the Swim Test is required, the bracelet shall be worn when swimming in those areas. If you have lost your bracelet, please inform an attendant.

6. Children under twelve (12) years of age must be accompanied by an identified responsible person, sixteen **(16) years** or older at all times within the pool area. The lifeguards are empowered to deny swimming pool privileges to any child who cannot demonstrate satisfactory swimming ability.

SAFETY CONSIDERATIONS

- A. No running, pushing, dunking or rough play will be permitted in the swimming pool or the swimming pool area. Standing or sitting on another person's shoulders is not permitted.
